Education

MongoDB University, *M101JS: MongoDB for Node.js Developers* **March 2015**

Received certificate verifying I am a MongoDB expert. Solved coursework involving Replication, Aggregation queries, Data Modeling and Mongoose.js
https://s3.amazonaws.com/edu-cert.10gen.com/downloads/f470d15d2ee84b8c87630debed70cba4/Certificate.pdf

BerkeleyX, *CS169.1x: Software as a Service* **Feburary 2013**

Completed a SaaS class on edx.org. Learned about RESTful architecture, SOA, cloud computing, Ruby, Rails, BDD with cucumber and TDD with Rspec.
https://verify.edx.org/cert/91f0b7d358aa4de697aac8aa9203d221

Worcester Polytechnic Institute, Worcester, MA **September 2008 – June 2012**

Bachelor's of Science, Computer Science

Completed coursework in Applied Statistics, Database Systems, Artificial Intelligence, Data Mining, Object-Oriented Analysis and Design, Algorithms, Calculus, Physics and Machine Learning.

Project Experience

Society of Hispanic Professional Engineers Website Revamp **January 2015**
Migrated an old Wordpress site to a new Node.js + Keystone.js + MongoDB site. We elicited requirements from the non-profit's leadership. Was given a design as a photo and expected to realize it as a website in HTML+CSS+Javascript. Deployed onto Heroku.
